**An essay is, generally, a piece of writing that gives the author's own argument — but the definition is vague, overlapping with those of a letter, a paper, an article, a pamphlet, and a short story. Essays have traditionally been sub-classified as formal and informal. Formal essays are characterized by "serious purpose, dignity, logical organization, length," whereas the informal essay is ...**

**Yes, let us hold life sacred, more sacred than ever. Death teaches us that. Let us hold each person, young or old, sick or well, as the sacred, precious, beloved being that they are. And in the circle of our hearts, let us make room for other sacred values too. To hold life sacred is not just to live long, it is to live well and right and fully.**

***A problem-solution essay is a type of argument. "This sort of essay involves argumentation in that the writer seeks to convince the reader to take a particular course of action. In explaining the problem, it may also need to persuade the reader concerning specific causes" (Dave Kemper et al., "Fusion: Integrated Reading and Writing," 2016).***
