Online Library How Do Dinosaurs Say Happy Birthday

I see no need to flounder around and try to explain dinosaurs or other issues that do not jive with bible, etc. By so doing we take our eyes off the prize. As Christians we should accept that we do not understand all that God does, but be grateful for what has been demonstrated and accept it with joy. We do not need to discredit, explain away or try to make ourselves feel better by forcing ...

Dinosaurs lived the same time as humans and they are mentioned in the Bible. Of course in biblical times, they had different names. “Look now at the behemoth, which I made along with you; he eats grass like an ox. See now, his strength is in his hips, and his power is in his stomach muscles. He moves his tail like a cedar; the sinews of his thighs are tightly knit. His bones are like beams ...
